EXPERIENCES & HIGHLIGHTS

Cruise the Inside Passage through channels surrounded by mountains that tower out of the sea and experience just how immense and diverse BC's coast truly is.

BC Ferries' 'Northern Expedition' makes this 15-hour journey travelling over 500 kilometres along the coastline of one of BC's most spectacular scenic routes: the Inside Passage. Pass fjords and islands all while spotting whales, sea lions and eagles on this breathtaking sailing adventure.

ITINERARY

DAY 1 This epic adventure begins as we head north for an overnight stay in Quesnel.

DAY 2 Travel through the diverse Cariboo Region to Smithers for our overnight stay.

DAY 3 Visit the 'Ksan Village, a replicated ancient Gitksan village, and the once bustling port town of Hazelton. Experience the Northern Pacific Cannery before arriving in Prince Rupert.

SPOTLIGHT

The North Pacific Cannery National Historic Site is the longest running cannery in BC History with close to 90 years of continuous Salmon production and fish processing.

DAY 4 Board the 'Northern Adventure' for a 6-hour sailing across Hecate Strait to the waterfront village of Skidegate, best known for its beautiful totem poles. Our next four evenings are spent in Skidegate Village. *(*Please note rooms are clean and safe but may not be what you are accustomed to on a Journeys tour.)*

DAY 5-7 Haida Gwaii means 'place of wonder'. We spend these days exploring and experiencing the culture and history of this wondrous region. Enjoy time in Skidegate Village, Old Masset, Port Clements along with a visit to the Haida Heritage Centre. We will even indulge in a traditional 'Haida Feast'.

DAY 8 Once again, enjoy the scenic beauty onboard the "Northern Adventure" as we sail back to Prince Rupert

DAY 9 Embark on a full day scenic voyage through the Inside Passage onboard BC Ferries' 'Northern Expedition'. When not watching for whales, dolphins and bears, enjoy the comforts of your cabin. Overnight is in Port Hardy.

DAY 10 Crossing from Nanaimo back to the mainland, our final night is in Langley.

DAY 11 Return Home with wonderful memories of a Haida Gwaii adventure!

DID YOU KNOW?

Tow Hill is a prominent landmark on North Beach. At 357 feet in height, Tow Hill is an eroded volcanic plug formed from volcanic rock about 2 million years ago.
